

Weekly Newsletter 10.1 - 10.5

We Are On Target!

Reading: We will be determining the main idea and theme of a text MAU2 Common Assessment Friday.

Social Studies: We will be learning about the location of the original 13 colonies. **QUIZ Thursday over their location - STUDY NOTES!**

Math: We will be continue learning how to multiply 2, 3, and 4 digit numbers by a one digit number. **We will have a quiz on Thursday.**

Science: We will be learning about waves and their properties. **We will have a test on light and waves on Friday! STUDY YOUR NOTES!**

Upcoming Assessments:

- Multiplication Quiz on Thursday
- Colonies Quiz on Thursday
- Light and Waves Test on Friday
- Reading Common Assessment on Friday

- * October 3rd - Open Reading Night - Glenellen Library 4:30 - 6:30
- * October 4th - Parent Teacher Conference
- * October 5th - Last day of the 1st Nine Weeks
- * October 8-12 - Fall Break

Parents and Guardians, we cannot stress enough how important it is to read and review notes each night! Because we learn so much material so fast, it is important to review each night, so your child does not fall behind!

Teacher's Corner

- * It is your student's responsibility to write their homework in their study buddy each day. They are also responsible for bringing their class materials (folders, journals, pencil box, etc.) each day. **If your child is absent Monday or misplaces their homework sheet, there is a bin located in EACH room with extra homework. They are to pick one up if they do not have a copy. Homework IS graded this year.**
- * Please write any changes in transportation in the Study Buddy!
- * **EXTRA PRACTICE, WEEKLY HOMEWORK, and HELP:** Visit our class website!
<http://ges4.weebly.com/>
- * **Classroom updates and reminders sent to your phone!** Text the code @86437kg to the number 81010. It will prompt you to download the Remind app, receive text messages, or email updates to stay in the loop.
