

# Weekly Newsletter 9/10 - 9/14

## We Are On Target!

**Reading:** We will be explaining events and concepts in informational texts.

**Social Studies:** We will continue our Explorers unit. There will be a Unit 2 Common Assessment FRIDAY. Please use the study resources on Mrs. Oakley and Ms. Corey's class website provided at the bottom of this newsletter.

**Math:** We will be completing our first unit of the year. Our Common Assessment will be on Wednesday! We will then start learning about factors, multiples, prime and composite numbers.

**Science:** We will be learning about map skills and how to locate various features. Open note test on Monday, September 17th!

## Upcoming Assessments:

**Social Studies Common Assessment - FRI. 9/14** over explorers Common Assessments cannot be sent home per district procedure.

**Math - Common Assessment Wednesday!**

**Science - Open Note Map Skills test Monday, September 17th**

- \* September 6th -14th - Fall Book Fair
- \* September 7th - Zaxby's Night - Lowe's Drive Location
- \* September 13th - Parent Teacher Conference
- \* October 4th - Parent Teacher Conference

A link was sent to your personal e-mail from **Sign Up Genius for Parent Teacher Conferences**. Thank you to those parents who have already signed up. If you have not chosen a time by Monday, one will be assigned to you.

## Teacher's Corner

\* It is your student's responsibility to write their homework in their study buddy each day. They are also responsible for bringing their class materials (folders, journals, pencil box, etc.) each day. **If your child is absent Monday or misplaces their homework sheet, there is a bin located in EACH room with extra homework. They are to pick one up if they do not have a copy. Homework IS graded this year.**

\* Please write any changes in transportation in the Study Buddy!

\* **EXTRA PRACTICE, WEEKLY HOMEWORK, and HELP:** Visit our class website!

<http://ges4.weebly.com/>

\* **Classroom updates and reminders sent to your phone!** Text the code @86437kg to the number 81010. It will prompt you to download the Remind app, receive text messages, or email updates to stay in the loop.

**Need to contact a teacher? Send us an email.**
