Weekly Newsletter 9.24 - 9.28

We Are On Target!

Reading: We will be describing in detail a character's thoughts, words, and actions, the setting, and events in a literature text.

Social Studies: We will be learning about the conflicts between the Native Americans and the early settlers of America. **QUIZ Friday**

Math: We will be continue with area and perimeter with a **quiz on Wednesday**. We will then begin our multiplication unit.

Science: We will be learning about light and its properties.

Upcoming Assessments:

Social Studies Quiz on Friday

Area and Perimeter Quiz on Wednesday

Teacher's Corner

* It is your student's responsibility to write their homework in their study buddy each day. They are also responsible for bringing their class materials (folders, journals, pencil box, etc.) each day. **If your child is absent Monday or misplaces their homework sheet, there is a bin located in EACH room with extra homework. They are to pick one up if they do not have a copy. Homework IS graded this year.**

* Please write any changes in transportation in the Study Buddy!

* **EXTRA PRACTICE, WEEKLY HOMEWORK, and HELP:** Visit our class website!

<http://ges4.weebly.com/>

* **Classroom updates and reminders sent to your phone!** Text the code @86437kg to the number 81010. It will prompt you to download the Remind app, receive text messages, or email updates to stay in the loop.
