## Weekly Newsletter

August 20th - 24th

We Are On Target!

**Reading:** We will be determining the main idea and details, as well as comparing and contrasting using two texts.

**Social Studies:** We will be learning about the Cherokee, Chickasaw, and Creek Indians.

**Math:** We will be learning about rounding and place value relationships.

**Science:** We will continue to learn about the layers of the Earth.

### Upcoming Assessments:

Science - Friday the 24th - covering how Earth moves, and its layers

Social Studies - Unit 1 Test Friday the 24th

## Teacher's Corner

\* It is your student's responsibility to write their homework in their study buddy each day. They are also responsible for bringing their class materials (folders, journals, pencil box, etc.) each day.

\* Please write any changes in transportation in the Study Buddy!

\* EXTRA PRACTICE, WEEKLY HOMEWORK, and HELP: Visit our class website!

<http://ges4.weebly.com/>

\* **Classroom updates and reminders sent to your phone!** Text the code @86437kg to the number 81010. It will prompt you to download the Remind app, receive text messages, or email updates to stay in the loop.

**Need to contact a teacher? Send us an email.**
