Weekly Newsletter

August 13th – 17th

We Are On Target!

Reading: We will be learning to identify the main idea and explain how key details support the text. We will summarize a text.

Social Studies: We will be learning about indigenous settlers - Paleo, Archaic, Woodland, Mississippian

Math: We will be learning about place value, number forms, and how to compare numbers.

Science: We will be learning about how the Sun and Earth interact, and the composition of the Earth.

Upcoming Assessments:

Reading Quiz FRIDAY 8/17

Place Value Quiz MONDAY 8/20

Teacher's Corner

- * It is your student's responsibility to write their homework in their study buddy each day. They are also responsible for bringing their class materials (folders, journals, pencil box, etc.) each day.
- * Please write any changes in transportation in the Study Buddy!
- * EXTRA PRACTICE, WEEKLY HOMEWORK, and HELP: Visit our class website!
<http://ges4.weebly.com/>
- * **Classroom updates and reminders sent to your phone!** Text the code @86437kg to the number 81010. It will prompt you to download the Remind app, receive text messages, or email updates to stay in the loop.
